

Want to be a Room Parent?

As a room parent, you would communicate with your child's teacher and their students' parents to make sure that the class' needs are met. Some examples of the things you would be responsible for are: having a decorated vehicle or parking space for Trunk or Treat, collecting labels and box tops a couple of times during the school year, ensuring the events your child's class is responsible for are organized, and possibly organizing gifts for your child's teacher for special occasions. More information about your responsibilities will be available at a room parent meeting (date to be announced).

Parent Name:

Email Address:

Child's Teacher:

I am willing to be a room parent.

I am willing to co-room parent.

Thank you for helping your child and their teacher have a great school year!
