

Chat 'n Chew

Chat 'n Chew is a special lunch time book club
only available to LFE second graders!

Once a month your child will have an opportunity to **eat lunch in the classroom** while enjoying a discussion about the book of the month. It is led by parent volunteers who are provided with questions about the book. It is a wonderful opportunity to spend 30 minutes a month eating lunch with your child and their friends! On the last month we have a **pizza party** and each child gets to choose a free book to keep. The books are available to purchase from us, purchase on your own, or check out from the local library, but those books go fast.

Chat 'n Chew is a beloved second grade program, which the kids genuinely enjoy. We encourage you to have your child participate and to please consider volunteering as a book club leader.

If you have any questions, please contact Jen Romney at lucyfranklinpta@gmail.com

Please fill out and return this form with your payment no later than September 3rd

Student Name: _____ Teacher: _____

Parent Email for Reminders: _____
