

Join & Support Lucy Franklin PTA Today!

2018 - 2019 School Year

Why should I join PTA?

Joining PTA is important to our school and our kid's success. State and National PTA gives schools incredible resources, helps our volunteer board members keep financial matters in check with the IRS, and gives our children a voice when bills are proposed and lobbied both at the state and national level.

LFE's PTA membership is different than the annual fund or other fundraisers. LFE PTA has never made membership a big fundraiser and only keeps a very small portion of the membership fees and rest we pay in dues to the State and National PTA.

Thank you for supporting Lucy Franklin PTA and our kids!
